Just to be sure, should I be making any edits to the Sharepoint version?

Thanks,

Claudia

Hi Claudia,

Could you please work on incorporating/addressing comments from Bruce, Amy and Gerri? A revised version will need to be sent to Regina Chappell, she was working on formatting/routing for us. Let me know if you need anything from this end.

Thanks,

Dee

Mike,

Please see the attached file for our edits/comments. These comments (except the first one at the top of the document) are in the share drive file maintained by R8 and shared by Dee Rothery this morning.

Gerri Garwood, Amy Branning and I have reviewed and are in agreement.

Major Comments/Edits:

## Ex. 5 - Deliberative Process

Our recommendation is that **we are OK with the FIP, as long as the edits are accepted and the changes flagged in comments are made.** I do not believe they will be controversial changes.

Bruce
